The preservice student named above promises to be available to tutor members of the CATs Homework Club for one 2-hour session each week of the semester, or find a replacement.

He/she will drop in to TWRC (or call x2215) to determine if his/her presence is needed on the day of tutoring (appointments are made by the previous evening).

Although any such student may serve in this way, members of the Future Teachers Club will be scheduled first, because they need "community service points." In some cases, tutoring hours may count towards observation or tutoring field experience hours for initial certification students. Please confer with your campus-based supervisor.
